This was a crazy weekend in Broken Bow as it was the popular Junk Jaunt and Broken Bow is one of the places that buyers want to come! Yes, I did buy a few things!

The Town Square that “some” of our Nebraska Operation Lifesaver team were able to see from their quaint balcony!

The safety meeting was held at the BonFire Grill in Broken Bow (located in the historic Arrow Hotel). The team met in The Cigar Room which was a private dining room which worked perfectly to eat and hold a meeting.

Every student “drove” the train and received coloring or activity books depending on their age!

Lots of qualified Train Crews!

Another group of students that had fun learning all about rail safety!

Lots of smiles at Parkland Elementary!
